MESSAGE FROM THE GOVERNOR DAVE BENNETT

Well let me Thank each and everyone of the members for the opportunity to help our lodge out. I will do my very best, but it will not work without YOU. I/we the lodge needs YOU the members to come have dinner, buy a beer or drink, share a dance with a close friend or a function, to support the lodge. Without YOU the system does not and will not work!!

Volunteers you are needed. Without YOU as a volunteer the system falters and fails. One man or woman can not carry this lodge. So if you are a volunteer, Thank You! If you are not, think about becoming one. Just a couple of hours or supporting a function or dance, even a dinner can help. Speaking of volunteers, they do not deserve to be belittled, argued with or told how we need to do the work. We try hard every time we put the effort in and hope we get it right for you our fellow members.

The sewer system, yes we still need to up grade the system per Brevard County Health Department. We will get it done as soon as we know if it is a Jack and Bore or a Direct bore system. We are waiting for a survey and the final go ahead from the city of West Melbourne and Melbourne Village as to which system we will be installing.

April 10, there is a Spring Picnic at Fisherman's Landing in Grant. The cost is \$5.00 at the gate. Bring your own chairs please add your name to the sign up sheet on the board. I have Tickets for Moose Haven Days for lunch, if you have the Ticket and you are present; win double the amount for prizes. For First Prize \$500.00, Second Prize \$300.00 and Third Prize for \$100.00. I have Tickets for the Great Giveaway Raffle to be held at the April Spring Picnic for \$1000.00 prize. If you are interested in these Tickets come see me.

FRIDAY night family dinners are back! The cost will be \$8.00 starting 4 MAR 2011. I am making an effort to get away from the fryers. We will have most of the time a meat or fish choice, potatoes, veggies, bread, salad and desert. With that said, I can only plan for what I can guess at as far as how many people are buying dinner without wasting your lodge dollars. See my dilemma! Now we can try a sign up sheet or sell the tickets before Fridays, so what do you think? Do you have any suggestions? Where else could you get a full dinner and a beer for less than \$10.00 bucks.

It's that time of year again when positions are open for Officers of Lodge 1406. Open positions are Governor, Jr. Governor, Prelate, Treasurer and 3 year Trustee. Any member interested in running for an office can obtain a Nomination Form from any current officer, fill it out sign it and return it to any officer. Being a member of the Board of Officers is a responsibility and is important for the success of our Lodge. Currently there are many difficult situations that need to be approached in a professional manner. It will be up to the Board of Officers to face up to these challenges in a professional manner. As Uncle Sam would say "We need good men", are you what we are looking for? If the answer is yes, please don't hesitate to fill out a Nomination Form as soon as possible. Our Nominating Committee is scheduled to meet on Feb. 16th, March 2nd and March 16th. They will review each application and interview each candidate. The election will be held on April 6th. Quite a few members have contacted me and expressed their concerns. Becoming a part of the process by becoming an officer is the best way to face up to these concerns and solve the problems. Please help your lodge by becoming involved in the process of governing your Lodge.

If you haven't already noticed, on Fridays we are asking for donations to offset the cost of entertainment. So far it has not been very successful. Let me try to explain the situation. Friday entertainment costs our Lodge about \$975.00 a month. This is a direct cost to us and takes away from what profit we make from sales in the Social Quarters. When we have entertainment in the Lodge room we sell tickets and included in the price of a ticket is the cost of food and entertainment plus a fair profit. Our members have expressed their opinion and seem to prefer having Friday dances in the Social Quarters. According to our General Laws we cannot charge admission to the Social Quarters, however we can ask for donations. We are suggesting that members in attendance on Fridays donate \$3.00 and naturally we will be happy to accept any money you wish to donate. The only other solution to this problem is to either go back to having the dance in the Lodge room and charge the members or raise our food and bar prices on Friday evenings. Please be generous and help us by donating money for your dancing and/or listening pleasure.

SENIOR REGENT REPORT

This month has been a very busy month. We had two wonderful dances, one being the 50's, the other Valentine. The food was good and the decorations very lovely. Thank you to all volunteers who helped make them a success.

A tea is planned for March 12th at 10 am to 2 pm. Remember ladies wear your beautiful hats. There will be a contest as to which one is most unusual.

Make up a pot of chili and enter our contest on March 26th 4 pm to 6 pm. Also a liver and onions or meatloaf dinner is set for Tuesday March 29th 5 pm to 7 pm.

The winner of the money basket was Lattie Bryant. She won over \$100.00.

Congratulations to Emily Bopp for receiving her star recorder. She is very deserving of it.

Attention Ladies the Moose International has dropped the application fee for all Loyal Order of Moose Applications for the first three months of 2010-2011. This means it's only \$25.00 to join the WOTM for the year. So come on ladies have your friends & family's join. Now is the time.

Have a wonderful Easter.

In Friendship,
Pat Ferdiani
